

## Get a Withdrawal Card When You Leave Your Job

Be sure to request a Withdrawal Card if you are laid off, going on leave-of-absence, lengthy medical leave, or terminating your employment. A Withdrawal Card must be requested within 90 days of your last day worked. Dues must be paid current through the last month you were employed.

Stop by your Local or complete this form and mail it to your Local Union office along with **50 cents**. It is your responsibility to obtain a Withdrawal Card in order to avoid being suspended from the Union and subject to paying back dues and/or a re-initiation fee.
